- 9.2 If the entrant cancels, the entry fee will only be refunded if notified in writing, and received by the Entries Secretary at least 21 days prior to the event.

10. DATA PROTECTION

General Data Protection Regulations were implemented in May 2018, listed below are some specific points that affect entries into the Mendip Tour.

- 10.1 Data from all Mendip Tour applications is entered onto an event specific database that is held on a password protected PC (deemed as 'structured data'). Non-sensitive information from the application forms could be passed to other event committee members for information only (entrant's names, car makes etc., but NO personal information will be shared i.e. addresses, phone numbers etc.).

- 10.2 The physical application forms (deemed 'unstructured data') received will be retained in a specific event folder, and will be kept at the event secretary's home address until the conclusion of the event. Following the event, all applications will be destroyed, making them unreadable.

- 10.3 Some of the information we receive from entrants will be subsequently used during the event, and will be plainly visible to members of the public (history of the car etc.). Any such information will be vetted by the Entries Secretary to ensure no personal information would be displayed i.e. owners' names etc.

- 10.4 As part of the entry process, we ask each entrant to tick a box on the form allowing us to retain contact details – allowing us to send information to entrants on the following year's event. Again, this data is held on a password protected PC, and only the contact information held will be used to inform entrants about the following years event.

- 10.5 During the event, photographs will be taken at the start (all starters), and more during the event and at the finish. These photographs may be used in future publicity articles and may feature in the club magazine 'Classix'.

- 10.6 For further information on the Data Protection, please refer to the Privacy Notice on the club's website (www.candhmotordclub.co.uk).
